

# Adjustment of affiliation contract

## What you need to know when you want to make adjustments to your contract

Please check one the following options:

**I wish to extend my contract**

You want to add types of contributions and/or territories for which PlayRight is currently mandated to collect your neighbouring rights. Please note that the changes take effect immediately after your request is processed by PlayRight.

**I wish to restrict my contract**

If you want to restrict your contract with PlayRight by removing types of contributions and/or territories for which PlayRight is currently mandated to collect your neighbouring rights, please note that such an adjustment can't be made immediately. If you wish to submit an adjustment before the 30<sup>th</sup> of June of this year, the changes will come into force on January 1st of the following year. This is in accordance with the article 13 of our Rules of Procedure and the Code of Economic Laws. If you submit your changes in the second half of the year, the changes will come into force on January 1st of the year after the following year.

If the changes of contract cause a conflict with another sister society it can infect the term of executing the adjustments.

The territory for which you entitle PlayRight to claim your rights, should not be listed in an affiliation contract with another society that manages performing artists' neighbouring rights. I. If so, a conflict will arise. Don't forget to make the necessary changes in your other affiliation contract when necessary. The proof of those changes, made by the other society, needs to be passed on to Playright.
